The Cost

This year the cost is \$95. That includes a T-shirt and Hat. It also pays for Umpire fees and the increased costs that the City of Placentia is charging for fields and lights.

Player Age range

The divisions are AA, AAA and Majors. Players that played Single-A through Majors are able to participate in the Fall/Winterball program. You can discuss what level is recommended for your player at the registration.

Number of Teams

There is no set number, but last year there was one AA team, three AAA teams. It all depends on the number of signups and availability of Managers.

The Schedule

Practices typically begin in August.

Games typically begin in early September and end in late November.

Games are played on Sundays – hopefully (but not guaranteed) in the afternoon.
