The Cost

Registration is \$95. That includes a T-shirt and Hat. It also pays for Umpire fees, equipment costs, and the increased costs that the City of Placentia is charging for fields and lights.

Player Age range

The divisions are AA, AAA and Majors. Players that played Single-A through Majors are able to participate in the Fall/Winterball program. You can discuss what level is recommended for your player at the registration.

Number of Teams

There is no set number, it all depends on the number of signups and availability of Managers. Placentia teams will play against teams from neighboring communities, so it's likely there will be some travel.

The Schedule

Practices typically begin in August once registration has been completed and the teams have been formed. The game schedule is typically 10 games and likely will run from September 12th to November 21st. (First Sunday following Labor day to the last Sunday prior to Thanksgiving) Games are played on Sundays – hopefully (but not guaranteed) in the afternoon.

Managers

Anyone wishing to manage a Fall/Winterball 2010 team should contact Mike Frobenius prior to June 27th. Manager's applications should be turned in by June 27th, and the players that they wish to be on their team SIGNED UP BY June 27th.
